DENY

CONFIDENTIAL, OADR

November 7, 1962

TO: IO - Mr. Cleveland
FROM: ARA - Edwin M. Martin
SUBJECT:

Ambassador Campos called me to say that he had instructions to make a formal request for United States support for the Brazilian demuclearization resolution. I have Portuguese text which is being translated. I told him that the main negotiations were going on in New York but, in view of his instructions, would like to get him a statement of our official views.

He was aware of the Secretary's statement on this subject.
